

Neural Tube Defects (NTDs) Rates, 1995-1999
Selected State Birth Defects Surveillance Programs
Grouped by Pregnancy Outcome – Live births/stillbirths/spontaneous abortion/elective terminations

—□— Total NTDs (SB and AN) - -△- - Spina bifida without anencephalus (SB) - -+ - - Anencephalus (AN)

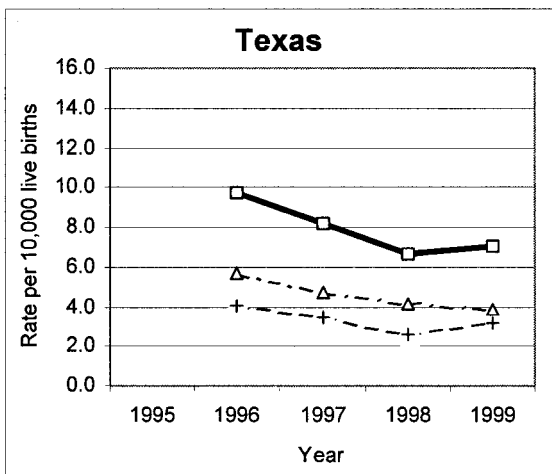

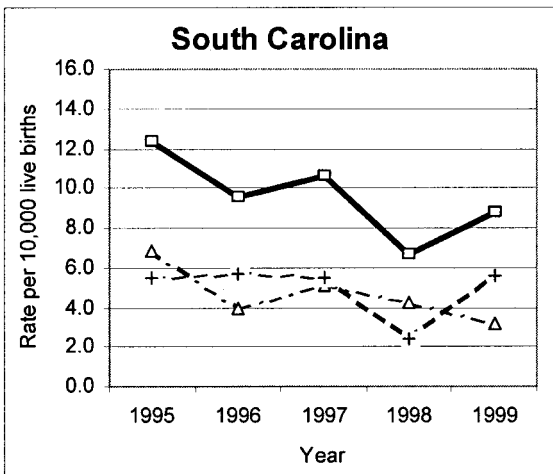

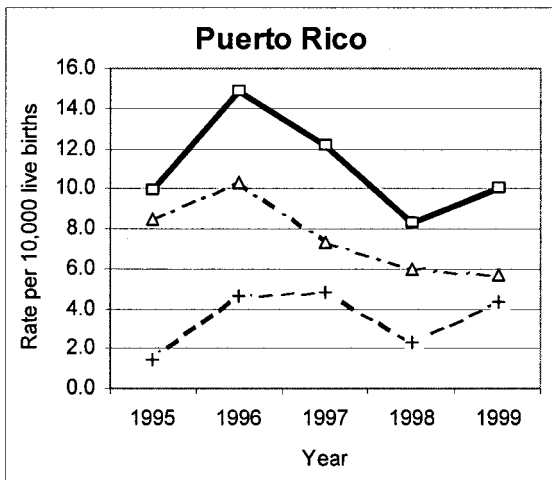

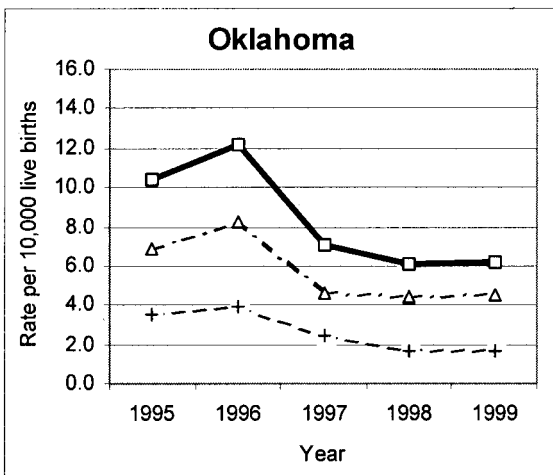

Neural Tube Defects (NTDs) Rates, 1995-1999
Selected State Birth Defects Surveillance Programs
Grouped by Pregnancy Outcome – Live births/stillbirths/spontaneous abortion/elective terminations (cont.)

—□— Total NTDs (SB and AN) - -△- - Spina bifida without anencephalus (SB) - -+ - - Anencephalus (AN)

* NM - 1998-1999 data include live births/stillbirths/spontaneous abortions/elective terminations; 1995-1997 data include live births only.

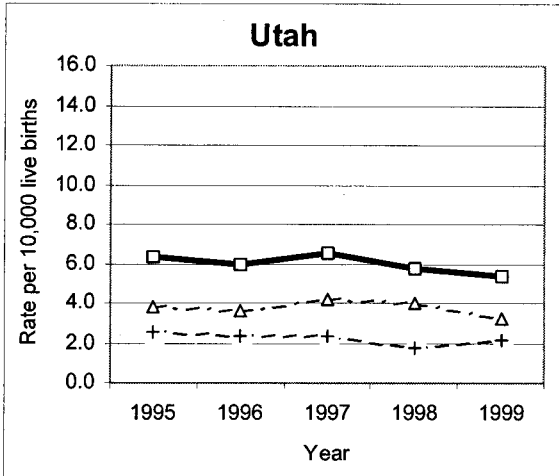

S214 NTD RATES

Neural Tube Defects (NTDs) Rates, 1995-1999

Selected State Birth Defects Surveillance Programs

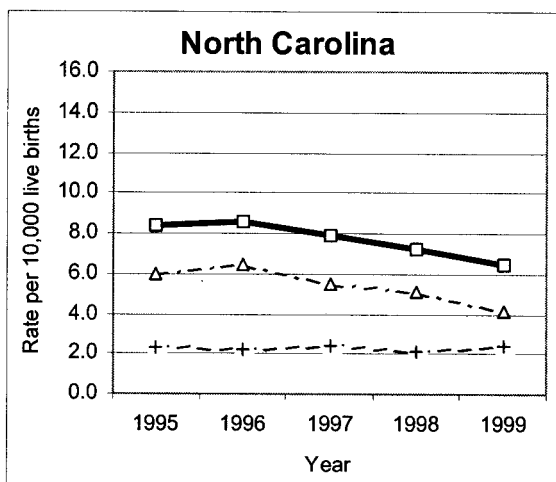

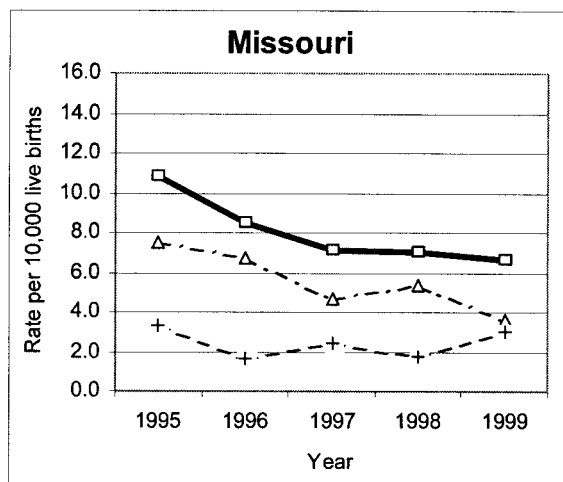

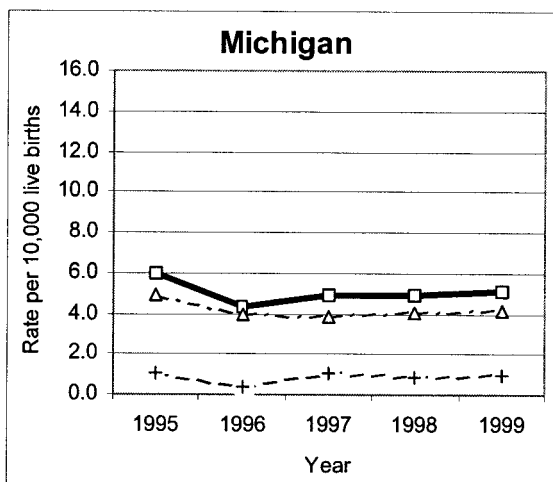

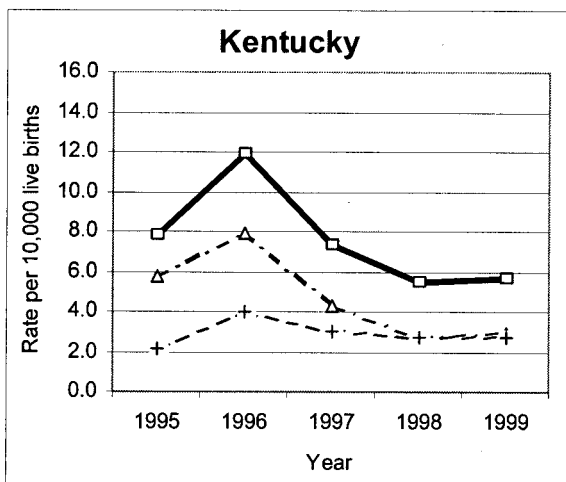

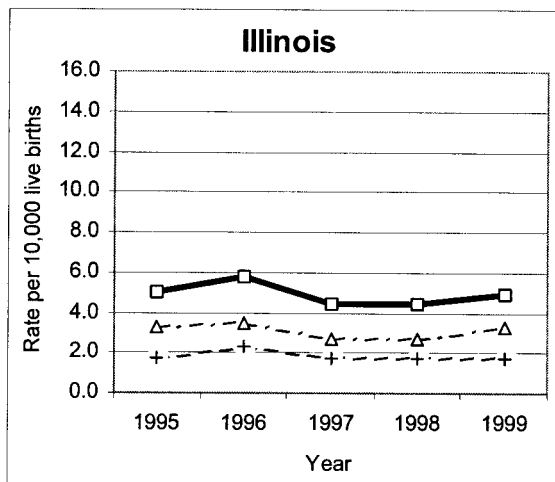

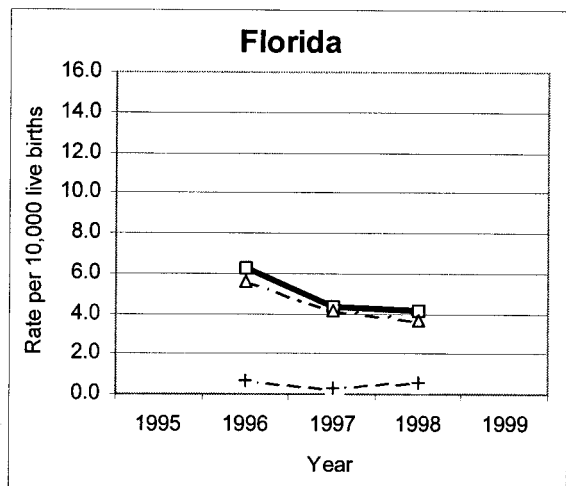

Grouped by Pregnancy Outcome – Live births/stillbirths/spontaneous abortion/elective terminations (cont.)
