1 in every 33 babies is born with a birth defect.

We want to help you reduce that risk.

Learn more about prevention, detection, treatment and living with birth defects at www.cdc.gov/birthdefects and www.nbdpn.org.

This flyer was developed in partnership with the National Birth Defects Prevention Network (NBDPN). The NBDPN is a national network of birth defects programs and individuals working at local, state, and national levels in birth defects surveillance, research, and prevention.
