Plenary Session*

***Enhancing Effectiveness through Partnerships***

Moderator: Larry Edmonds, Atlanta, GA

This session will explore opportunities for developing and enhancing partnerships with other national organizations that have missions similar to that of the NBDPN. Larry Edmonds will moderate a discussion with representatives from the following organizations: March of Dimes, Association of Maternal and Child Health Programs, Organization of Teratology Information Specialists, and Spina Bifida Association. We will hear about each of these organizations and have an interactive discussion regarding collaborative activities such as those related to data dissemination, research, advocacy, training, etc.
