

*Monday, February 23, 1:30PM-3:00PM
Concurrent Breakout Session A*

Treatment and Service Systems for Children with Special Health Care Needs

Moderator: Leslie Beres-Sochka, New Jersey Department of Health & Senior Service, Trenton, NJ

Shirley Babler, Colorado Department of Public Health and Environment, Denver, CO

Samara Viner-Brown, Rhode Island Department of Health, Providence, RI

Michelle Norwick, parent advocate, Charleston, WV

This session will explore state approaches to systems of care for children with special health care needs. Panelists will discuss initiatives related to medical home, integrated child health information and referral systems, as well as a parent advocate's perspective on navigating systems of care. Collaboration, information sharing and coordination among service programs, clinical providers and families will also be discussed.
